Our 2015 HSC group in Visual Arts were offered an amazing opportunity to be a part of a special occasion where all five of the Tweed public high schools joined together for an enrichment day. We were lucky enough to hold this collaborative event at Tweed River Art Gallery in Murwillumbah on the 4th of November. All beginning HSC Visual Arts students and their teachers met to discuss elements of their final exam, explore strategies to improve their writing, and share suggestions on further developing their ideas in the Body of Work, or practical component of the course. Banora Point High students represented themselves proudly throughout the event and came away with some wonderful inspiration and enthusiasm to attain the very best result possible!
HSC VISUAL ARTS T5 ENRICHMENT DAY (Cont’d)
From the Principal
Mr Greg Smith

We have finalised our school vision statement, core values and determined our three strategic directions for our 2015 – 2017 School Plan. This has been completed after discussions with our P&C, SRC, School executive and staff. The following vision statement and core values were developed.

Vision statement:
We are a learning community that strives to make a profound difference in our students’ lives by inspiring them to achieve their personal best; become lifelong learners and healthy, creative members of society.

Core values:
Striving for the highest personal achievement in all aspects of learning within a fair and safe environment.

Our three strategic directions are:
- Maximising learning outcomes through effective teaching and learning strategies.
- Building capacity through strategic professional learning.
- Enhancing health and well-being of students and staff.

We are currently developing teams from our executive with representatives from each Key Learning Area to further develop the processes, practices, products and milestones linked to each strategic direction. The strategic directions were developed after thorough situational analysis using external and internal data, surveys and focus groups.

A large team with representatives from each Key Learning Group has recently spent two days at a workshop where they learnt about the application of the studies of Robert Marzano through his book “The Art and Science of Teaching”. I believe they found this to be a valuable experience and have a range of new skills and strategies that will help them engage their students even further in their learning and contribute to improving student learning outcomes.

Our Year 12 students have completed the Higher School Certificate and we received very favourable comments from the supervisors both on their mature approach to the exams and the support which was received from the rest of the school. The supervisors believe that the current setting, with the exams being held in the familiar surrounds of the school is the best model and we have decided to continue this in 2015. We all look forward to seeing our recent graduates at the Year 12 Formal being held at the Twin Towns Resort this Friday night.

On Wednesday 12 November 2014, all Year 11 students will be able to access their Year 11 grades via Students Online. Students can log in to their personalised secure account using their BOSTES student number and 6 digit PIN. If it is their first visit to the site they will need to activate their account.

Once logged in students can review their results in My Details > Enrolments/Results section and generate their eRecord. The eRecord is their interim report showing their 2014 Year 11 grades and their 2013 Year 10 grades and results.

NSW Teachers Federation Tree Levy Approved

It is with pleasure I can announce that the NSWTF has approved our school’s application for a $400 Tree Levy out of NSWTF funds.

The committee were impressed with our plans to enhance the school environment.

The School Environment Committee will now use those funds to make our school environment an even more pleasant surrounds for staff and students to work and learn in.

Lacrosse Session
On Wednesday 29/10 the Tap squad participated in a less common however very enjoyable sport ‘Lacrosse’. Brendan from the Gold Coast Sharks took our students through the basics of this highly skilled sport showing the students how to throw, catch and cradle the ball. All students participated with enthusiasm and a willingness to give this sport a go with the session ending in a competitive game that showed how hard this sport really is to master. This sport is available on the Gold Coast and is a great alternative to some of the other major sports on offer throughout winter.
Netball Session

On Wednesday 5/11 the TAP squad participated in a Netball development session with Nicole Cusack leading the group through a variety of skill drills. Nicole has coached and played at the highest level having played for Australia and won a commonwealth gold medal. The session was informative and tested some of our student’s ability to make fast decisions and invade space. Thanks to Nicole for her time and well done to the TAP squad on your efforts.
FUTSAL by Mr Williams

On Thursday 16th October both our Junior Boys and senior Boys futsal teams travelled to Seagulls Indoor Centre in West tweed to play in the Far North Coast futsal knockout. Both teams represented their school well with our Junior Team winning their first game against Wollumbin 9-1 and then losing their second game to Mullumbimby 6-0. Mullumbimby eventually went on to win the tournament and our boys did very well against a very good team.

Our senior team lost their first game 6-5 with the game being decided in the last 2 minutes. With our team leading 5-4 two silly mistakes allowed Wollumbin back in the game and we lost the game with seconds remaining. Our senior team went on to win their next 2 games 6-4 and 5-3 in the repechage draw. Well done to all players on a great day!
GRILL’D LOCAL MATTERS—COOLANGATTA

Great news! Banora Point High School P & C have been nominated to participate in the Grill’d Local Matters donation program at Grill’d Coolangatta this month.

Every month, Grill’d donates $500 to local groups and asks their customers to decide who the money goes to.

When customers buy a burger, they will receive a token to put into one of 3 jars representing different groups. Whoever has the most tokens at the end of the month receives $300. The other two groups receive $100 each.

To do your bit to help our cause, spread the word and head on down to Grill’d Coolangatta located at::
Showcase on the Beach Marine Parade Coolangatta QLD 4225

TO Premium Bakehouse for supplying the bread for the Bravearts BBQ held on 28 October 2014

This donation was much appreciated!
Young Drivers aged 17-25 years. Why are they at risk?

Facts:
1. Road crashes are one of the leading causes of injury, disability and death among young people.
2. Young drivers are over-represented in road crashes compared to other age groups especially young males.
3. Drivers in rural areas experience a higher rate of fatalities than those from urban areas.
4. Speeding is the major cause of road crashes in NSW and crashes which involve speeding are more likely to result in fatal crashes.
5. Other high-risk behaviours that significantly contribute to road crashes and injuries include:
   - Drink driving
   - Driver fatigue and distraction
   - Not using seat belts

Driver inexperience: Often young drivers don’t realise that it takes time and lots of practice to develop safe driving skills.

Developing brain: Parts of the brain responsible for self-control and for recognising and managing hazards do not fully mature until after the teenage years, so young drivers are more likely to experiment and take dangerous risks.

Overconfidence and risk taking: Young drivers can be over confident about their driving ability and underestimate dangers on the road.

Having friends as passengers: Young drivers may be distracted by passengers or may feel pressured to take risks, such as speeding. Every extra peer passenger carried by a young driver increases the chance of crashing.

Alcohol and other drugs: Young people often do not understand that alcohol and other drugs affect a driver’s skills, mood and most importantly behaviour. Safe driving requires clear judgement, concentration and ability to react to what’s happening on the road.

Busy lifestyles: Work, sport and study often mean busy lifestyles for young people, which may cause them to drive when tired – especially late at night. Driving tired significantly impairs driving, even if the driver doesn’t feel sleepy.

The RRISK program aims to increase awareness of these risk factors and how to improve road safety. For more information about the RRISK program and risk taking, visit our website www.rrisk.com.au

Point Danger
Information Session!!

Be prepared...
for new adventure!

We are seeking expressions of interest from any families or community members who are interested in establishing a new Scout Group in the Coolangatta/Tweed Heads area at the Point Danger Scout Den on Scott Street Coolangatta.

For more than 100 years Scouts have offered a program to young people which helps develop them through teamwork and using their own initiative.

 Scouts believe encouraging young people to “be prepared” is more important today than ever!

What should you be prepared for? Fun and adventure, team involvement, helping other people, being a leader, making friends, caring for the environment, and being a positive influence in your community.

Come along to our Information Morning
10am to 12pm on 29th November 2014

Second Hand Uniform Shop

Our second hand uniform shop functions through the kind donations of parents and students who no-longer have use for their school uniforms. Through these donations, we are able to provide access to low cost uniforms. Any funds raised through the sale of second hand uniforms is deposited into the student welfare assistance fund, used to support students and their families during times of hardship.

Please approach the office administration staff regarding second hand uniform purchases. All donations of quality second hand uniforms are valued and appreciated.
