WRAPPING UP CHRISTMAS FOR FAMILIES IN THE NORTHERN RIVERS

The Family Centre in partnership with the Tweed Centro Shopping Centre, are wrapping up Christmas to support local families in need this Christmas.

The Christmas gift wrapping stall is a gold coin donation for any gift purchased at Tweed Centro. The Family Centre provides a range of parenting and relationship skills courses and all monies raised will go directly to Respectful Relationships, a program for Year 10 high school students which increases awareness about abuse in relationships and develops skills for respectful relationships.

The Family Centre could not have participated in this important fundraising event without the support of Tweed Centro and our wonderful volunteers that will be busy wrapping right up until Christmas Eve.

Pictured are three Banora Point High School students who donated their time to wrap up Christmas for charity.

Left to Right: Sam Doolan, Jordan Holley and Nicholas Bloor.

WORK EXPERIENCE 2014

Thank you so much to all the local businesses that have supported our Year 10 students. I got to get out into the field to check on the majority of students (41 in total), and I must say I came back to work at the end of each day, filled with pride on the glowing reports that their supervisors said about them. Students worked hard to secure their own placements and these varied from Libraries to Hair Salons, Landscaping to Cafes, Child Care Centres to Solo Waste Management, Primary Schools to Aged Care Facilities, Retail Shops to Surf Schools. This is such a wonderful effort and achievement from all Year 10 students; you are a credit to yourselves, the community and Banora Point High School.

Here is a snapshot of some our students hard at work. MERRY CHRISTMAS!

RYAN BAILEY
PLACEMENT: Coles,
Tweed City, Minjungbul Dr, Sth Tweed Heads
DUTIES: Stock Filling and Presentations

DUTIES: Food Preparation, Customer Service, and Cleaning

TIANA WHITLAM

PLACEMENT: Mackay & Co Painters
Jenners Corner, Chinderah
DUTIES: Accounts and Book Keeping
Term 4 saw 18 eager students from both year 11 and 12 enrol in the Cert II Tourism course. This is a 2U Board Endorsed Course that is run through Kingscliff TAFE. The wonderful Delma Smith from TAFE came out to Banora Point High School for a total of 8 Mondays to teach the students the theory components of the course. The practical components of the course were conducted over a 3-day/2-night excursion to South Stradbroke Island. The students learned all about the Australian Indigenous Culture from a Tourism perspective and were superbly looked after from Mark and his crew on the island, and accompanied with Mr Mackenzie.

Students had to kayak out to South Straddie from the mainland, and this took about 7 hours. They were certainly worn out the first night. They learned to gather food and even had a master chef cook off on the second night, before the singing, stories and ceremonies around the campfire. Students also had to make their shelters using what resources they could find from nature, and the challenge was on to find water on our magnificent bushwalk around the Island on day 2.

This truly was a wonderful experience for our students, and I cannot thank Kingscliff TAFE enough for providing this excellent opportunity for our students.
CERT II TOURISM (AUSTRALIAN INDIGENOUS CULTURE) CONT.
