ANZAC DAY SERVICE

ANZAC Day was again celebrated by Banora Point High in a very respectful manner. We had our biggest group turn up to the march with almost fifty representatives from our school. Our student leaders led the march this year and we were very proud of the way in which they presented themselves. Our school ceremony was again organised by Mr Duff and the SRC. This is a very dignified and moving ceremony which encourages our students and school community to reflect on the sacrifices of so many in the past—Mr Greg Smith
ANZAC DAY SERVICE
Welcome back to Term 2. Year 12 students should have received their results and feedback related to half yearly exams and currently be working on developing plans to help them with their future progress. I have recently received a flier from UAC (University Admission Centre) regarding the new Schools Recommendation Scheme. A centralised process for 2015 admissions onwards for current year 12 students who are applicants for undergraduate admission is being introduced. UAC will handle applications from 10 institutions, including Southern Cross University and Griffith University. This will be for 2015 admissions. Some institutions will retain their existing schemes for selected schools. Further information should be available from the Careers Advisor and a printed SRS booklet will be distributed to schools in mid-July.

As we move towards colder weather, students are more likely to start contracting the flu and other infectious diseases. I would like to emphasise the importance of washing hands regularly. There is overwhelming evidence from Australia and overseas that shows regular hand washing reduces disease transmission. Thanks to the work of our SRC we have updated the hand washing and drying facilities in the school and appreciate that students have been using these appropriately. Please encourage your child to continue to use the hand washing facilities in the appropriate way. It may also help to reduce absenteeism due to illness and therefore improve learning outcomes.

There are a lot of activities coming up, including the half yearly exams and NAPLAN. We encourage our students to treat the exams seriously, giving them their best effort. Thorough preparation should occur in the lead up to the half yearly exams. I have asked Head Teachers to have a good look at the performance of students and if necessary, make adjustments to classes as soon as it is warranted.

We continue to focus on school uniform and ask parents to encourage their children to wear the correct uniform. Plain black shoes and the correct cold weather jumper need to be worn. If there is a suitable reason for a short term (one day) variation from the uniform, a note must be carried, signed by the parent and dated for that day. The alternative must be similar to the uniform. On many occasions we will loan a uniform to the student for the day.

Parent teacher meetings have been arranged for Monday 12th May for year 11 and 12 students. Please arrange meetings with your child's teachers so that you can get feedback to help support them in their learning and development.

The Tweed Healthy Schools project is continuing at both Banora Point High and Centaur Primary School. Kirtsin MacDonald is once again the school co-ordinator and Marelda McLean is the 2014 secondary school liaison officer. She has been working to develop a range of interesting projects that will enhance students’ health awareness. We look forward once again to working with the allied health students from Southern Cross, Griffith and Bond Universities.

Mr Lachlan Klose has started work this week as our new Head Teacher Science. He will be a great asset and has made a very enthusiastic start as part of our executive team. On our second school development day he ran professional learning activities related to supporting students with special educational needs. Also on the day staff completed the third child protection module, began the organisation of their peer coaching program and completed the Disability Standards e-learning program.

Once again I would like to recognise the work of Mr Douglas Fewings who finished with the school at the end of Term 1, having been a Head Teacher at Banora Point High since the beginning of the school. He made many contributions including being chief timetable, T5 school co-ordinator and chair of the WHS team. We know that he will be missed by students, his colleagues and wider school community and wish him a very enjoyable and interesting retirement.

Our Year 11 Drama students performed the Pretty Raw Encore to a very appreciative audience on Thursday night. We have a very talented group of students who obviously enjoy performing. It was a lively, engaging production which drew very positive comments from the audience. Congratulations to the students and Ingrid Green for her outstanding teaching.
From the Principal (cont)

The Watoto Children’s Choir will have two performances at the school on Friday 16th May. The first will be at 12.30 for school students and the evening public performance will be held at 6.30pm, both in the school hall. It will be a memorable event for everyone who comes along to watch and listen. Each of the children come from very sad circumstances and they travel the world performing and promoting their message.

The P&C meeting is on Monday 5th May at 7pm in our conference room. New members are always welcome. Come along and help make our great school even better.
Pretty Raw Encore (Cont’d)
Welcome to Week 1. After a well-earned break, it’s back into business. Lots of events occurring throughout term 2, so make sure you keep an eye on the up and coming dates.

Most important event coming up is the Careers Expo for Years 10, 11, and 12. There is an expectation that all students from those year groups will attend. Notes can be collected from me, and need to be returned by Monday 5th May at the absolute latest, as I have to organise buses. It is extremely worthwhile for students to attend, with over 300 exhibitors, there is something for everyone.

Year 10s will begin the subject selection process this week, with their subject booklets being distributed. It is an important time for them, as they need to try and choose the right subjects that are going to achieve their best results in their senior years at school. The Parent information evening will be held on Tuesday 20th May in Week 4. I would like to see all students and parents in attendance.

If you would like to discuss anything with me, please send an email with your contact details and I will phone you as soon as I am free. jessica-lee.dreyer@det.nsw.edu.au. Have a great fortnight.

DATES UP AND COMING

- University New England Open Day Excursion – Thursday 1st – Friday 2nd May, Armidale
- Griffith University – Experience Day – Friday 2nd May, Gold Coast Campus, Southport
- Gold Coast Careers Expo – Thursday 8th May, Royal Pines Resort, Gold Coast
- Year 8 Uni-Bound Workshop – Tuesday 13th May, SCU Gold Coast Campus
- Year 10 Subject Selection Evening – Tuesday 20th May 6pm, BPHS Library
- Titans Girls Academy Senior Workshop. Wednesday 21st May, 1-3pm, Tweed River High School
- Connect to Your Future Expo – Wednesday 21st May, Kingscliff Tafe Campus
- Titans Girls Academy Workshop 3 – Friday 23rd May, Tweed River High School
- Bond University – Presentation – Thursday 27th May, BPHS Library
- Year 11 Exercise Science Lab - Tuesday 10th June, Griffith University GC Campus
- Year 11 Biology Lab – Tuesday 22nd July, Griffith University GC Campus
- Year 12 Health & Exercise Science Conference – Tuesday 5th August, Griffith University GC Campus
- Year 9 Uni-Bound Workshop – Thursday 7th August, SCU Gold Coast Campus
- Year 7 Uni-Bound Workshop – Tuesday 18th November, SCU Gold Coast Campus
CONGRATULATIONS
Volunteer work can be very rewarding for both yourself and the community. I would like to con-
gratulate 4 Year 12 boys, who have given their time and efforts and passed the qualifications to
be able to serve with the State Emergency service (SES) on a voluntary basis. This is a wonderful
piece of evidence to put into your resume, showing that you have community spirit and some-
thing that employers would seek highly of. The school community is certainly very very proud of
them achieving this accolade. Well done boys. Left – Right Liam Richards, Teddy Gannon, Tom
Durey, and Jake Pittorino.

CONGRATULATIONS
Ryan McMullen and Laura Kyle in Year 12 have just completed Student for a Semester at Bond
University. They have been studying the subject ‘Communication Skills’ alongside 1st Year Univer-
sity students for Session 1. Part of the assessment was that they had to complete a 3 part project
which involved an individual and 2 group components. Both Ryan and Laura topped this subject
and graduated on the 29th April with a High Distinction. This is an absolutely amazing achieve-
ment, and one that I am very proud of. Ryan has now completed 2 1st Year University subjects
through Bond University. He completed ‘Contemporary Issues in Law and Society’ in 2013. WELL
DONE!!
ARE YOU INTERESTED IN THE ANIMAL INDUSTRY
HAVE YOU THOUGHT ABOUT A CAREER THAT COULD SATISFY YOUR PASSION FOR WORKING WITH ANIMALS?

There are many rewarding jobs that you can do in the animal industry

- Dog Groomer/Walker
- Animal Lawyer
- Mounted Police Officer
- Kennel Manager
- Animal Control Officer
- Marine Biologist
- Veterinarian
- Wildlife Inspector
- Veterinarian Technician / Pharmacist
- Veterinarian Assistant

GOLD COAST CAREERS EXPO
Thursday 8th May (week 2 Term 2)

Last year BPHS took over 100 students, and there is an expectation that all Years 10, 11 and 12 students will attend.

Please collect a note from the careers office and attend this wonderful event.
GRiffith uniVersity – launch into liFe

IN the last week of Term 1, Mrs Plater and myself, took 55 students from Banora Point High School, Centaur Primary School and Terranora Primary School to Griffith University for the annual Launch Into Life Experience.

Students participated in a range of exciting hands-on activities (Science, Physical Activity, Theatre and Health) which helped them learn about study and work options for their future, meet University teachers and students and explore the Gold Coast University campus.

In the Science session, students watched the very loud and fiery reactions of helium, oxygen, and saw what liquid nitrogen and dry ice could do to balloons. The Health session showed students about how germs can be passed on, blood pressure readings, sim babies, and how the body works. The physical activity session was run by the Logan Redbacks, and students learned the importance of playing sport and going to university in some fun relay-style activities. The theatre session was lots of fun too. Students had to act out particular jobs to their audience.

The most important message of all was that EVERYONE IS CAPABLE OF GOING TO UNIVERSITY AND REACHING THEIR GOAL.
CONGRATULATIONS – SCHOOL-BASED TRAINEESHIP

Emily Montford in Year 10 does not only appear in our assemblies and in newsletters for her outstanding sporting achievements, but she has also excelled at kick-starting her career dreams. Emily has a keen interest in the Tourism Industry, and through some research, hard work, and by acing the interview, Emily has secured herself a School-Based Traineeship in Tourism. Emily began working just before the holidays and has started her Certificate III in Tourism at the Kirra Tourist Park. She will be learning all aspects of Tourism, including business and administration, reception, and guest services. This is a very exciting opportunity for Emily, and I wish her every success as she progresses through this amazing journey. Well done Emily.
Year 10 Students with their Parents/Carers are invited to an exciting information evening on Tuesday 20 MAY 2014 starts at 6.00pm in the Banora Point High School Library.

- Curriculum Requirements
- Record of School Achievement (RoSA)
- Assessment Information
- Subject Selection
- Questions and Answers re School-Based Traineeships/Apprenticeships & Universities

*It would be an advantage for students to bring their subject selection booklet & elective sheet on the night!*
Would love to see some parents attend this wonderful and informative event.
Friends of the Pound

“Can you help our organisation Friends of the Pound recruit new foster carers for dogs and cats. At present there is much movement in the rental market and people who have pets cannot take their family pet with them when they move house, the only option is to surrender their pet to the Tweed Shire Pound, Friends of the Pound or the RSPCA. Our only limitation is the availability of suitable foster carers, can you help us save a life. Friends of the Pound supply all food, medical supplies and vet work if needed. Please contact Pam (dogs) 0421017461, or Sonia (cats) 0439766243”

Kind Regards
Sonia Trichter,
President,

**PLEASE NOTE:** Limited items will be available over the counter. To guarantee your choice is available, please pre-order. This can be done online at [www.munchmonitor.com](http://www.munchmonitor.com), or in person at the canteen. Orders can be placed for recess or lunch.
SAVE TIME!
ORDER ONLINE
FROM THE CANTEEN

✓ Save time
✓ Easy & convenient
✓ Top up money online or at the canteen

Set up a pre-paid account with MunchMonitor & order online from the canteen and also allow your child to pay for over the counter purchases using their student card.

1. Go to www.munchmonitor.com
   Enter Username: banorahs
   Enter Password: munch2486

2. Click on ‘Sign Up’

3. Enter your own username (email address) & password. Click ‘Create Your Account’. An important email will be sent to you

4. Find the email & click the link to activate your account. Check your junk mail folder in case the email has been treated as ‘spam’.

5. Enter your own Username (email address) & Password then click ‘Activate My Account’

6. Follow the steps to complete the setup.

7. Once you have put money into your account, you can order online 24/7.

**NOTE:** You can top-up your account with a credit card online or use cash at the canteen.

Remember to login using your own Username and Password whenever you return to www.munchmonitor.com

Need more info? Email help@munchmonitor.com
Message to Year 7 Parents ……..

Dear Parent/Guardian,

We are excited to inform you that Banora Point High School Year 7 numbers are growing at such a rate that we have needed to create a fourth class to accommodate this growth and continue our philosophy of providing positive and comfortable learning environments.

From day one term two Year 7 classes will be structured as follows;

- Supernova: entry via academic performance
- Asteroid: mixed ability
- Meteor: mixed ability
- Comet: mixed ability

The creation of the fourth class has initially resulted in smaller class sizes in all but the Supernova group. This group will be reviewed after the half yearly examinations and reports are completed, with students who are under-performing reassigned to one of the three mixed ability classes whilst high achieving students from the mixed ability classes will be considered for entry into the Supernova class. This will then ensure a better balance across all classes and lead to improved, less crowded learning opportunities for all students.

We would like to take this opportunity to stress the importance of the upcoming half yearly examinations for all Year 7 students.

If you have any questions or concerns about this restructuring feel free to contact Mr Bristow, Mr Duff or Mrs Plater.

Mr L Bristow
Deputy Principal

Mr V Duff
Middle School Coordinator

Mrs J Plater
Year 7 Coordinator
Fire & Rescue NSW is hosting its annual Open Day on Saturday 17 May 2014 between 10:00am and 2:00pm.

You are invited to watch fire safety demonstrations, extrication techniques for road crashes (cutting up vehicles) hop aboard a fire truck, learn about becoming a fire fighter and get an information bag while chatting with fire fighters about fire safety and what they do.

Winter is just around the corner and it’s the worst time of the year for house fires, so come along and learn as much as you can.

This is a fantastic opportunity for young people and their parents to meet their local fire fighters and learn as much as you can about home fire safety.

Don’t leave fire safety to chance this winter – click on this link - 2014 Open Day Participating Stations to find your local Fire Station and join us on Saturday 17 May 2014.

ADOLESCENT VACCINATION PROGRAM

Please be informed that stage 2 of the 2014 Year 7 Boys and Girls and the Year 9 Boys Vaccination program will take place on Tuesday 6TH May. Due to a state wide shortage of Varicella, the Chicken Pox needle will be unable to be administered at this time. Gardasil, (HPV), will still be administered on the day as will catch up doses of Boostrix and HPV for those who missed out earlier in the year or last year. You will be notified if this is you.

Stage 3 of the program will take place on the 9TH of September and may involve the Chicken Pox needle if supplies have been replenished. Please contact Mr Bristow if you have any queries.

Thursday 8.00am—11.00am

TERM 2 & 3
Thursday 8.00am—11.00am

Uniform Store is located upstairs in J Block
Credit Cards and EFTPOS accepted—sorry no cheques
Adolescent Drinking Behaviour

Young people aged 16-24 are amongst the heaviest drinkers in Australian society. In NSW, 46% of males and 43% of females in this age group are drinking at levels that could pose a serious risk to their health if they continue to drink at this level during their lifetime.

Over half of this group regularly drink to intoxication, which places them at risk of an alcohol related injury on any single drinking occasion. (NSW Health Statistics, 2011)

Young people are less likely than adults to be concerned about the negative consequences of heavy drinking. They are more at risk than adults as they are physically and psychologically immature, lack experience with alcohol, are more willing to engage in risk taking behaviour and are often unaware of the dangers of excessive consumption.

Choosing not to drink or learning how to drink responsibly can be among the most difficult tasks facing young people today. The earlier young people start drinking, the more likely they are to become high risk drinkers and experience alcohol related harm whilst they are young and in later life.

Alcohol and adolescent brain development
The brain is not fully developed until about 25 years of age. Drinking alcohol to intoxicating levels during adolescence can result in permanent brain damage. Areas of the brain that control memory, learning, decision making and problem solving can be permanently affected.

Learning problems can result in poor exam results and life skills which will reduce future career options and employment. Lack of judgement often leads to greater risk taking and increased likelihood of violence or sexual assault. Regular heavy drinking can cause irrational and aggressive behaviour, inability to understand social cues, depression and anxiety.

For more information on the effect of alcohol on the developing brain, see http://darta.net.au/wordpress-content/uploads/2013/02/ALCOHOL-AND-THE-DEVELOPING-BRAIN.docx.pdf

Mental health
Drinking at a young age increases the risk of mental health problems such as depression, anxiety, bipolar disorder, attention deficit disorder and increased risk of self harm, including suicide, delinquent behaviour and alcohol dependency in later life.

Look for information about the RRISK Program and risk taking at our website www.rrisk.com.au
COMMUNITY NEWS

THOUGHT OF THE WEEK

Unless we think of others And do something for them We miss one of the Greatest sources of happiness

Ray Lyman Wilbur
UNDERSTANDING TEENAGERS
Tuesdays May 20–Jun 24, 5.30–7.30pm

Struggling with your teenager’s challenging behaviours?
Looking for ideas on how to communicate with your teenager?
Want to support your teenager to move safely through adolescence?

WHAT’S THE COURSE ABOUT?
Understanding Teenagers is a parenting course that aims to equip you with the knowledge and skills to support your child through adolescence. Form a better understanding of the changes in their behaviour and personality.

WHAT CAN YOU EXPECT?
Through information sessions, practical exercises, group discussions and brainstorming we will explore:
The stages of child and youth development, including the impact of brain and hormone development
Parenting styles, managing tension points and talking through challenging issues
Different ways to respond to concerning behaviours
Strategies for communication and conflict resolution that you can take away and ‘try out’
Strategies that other parents have found work well for them

WHAT WILL YOU LEARN?
Increase knowledge about developmental changes
How to reflect on your parenting style and how to manage your emotions
Strategies for positive communication and how to hold difficult conversations with your teenager
How to establish healthy boundaries and respond to challenging behaviour

The course runs over two Saturdays 9:30am-3:30pm OR a as course over 6 early evening sessions.
COST: $30

If you are unable to pay for course fees please talk with our intake worker or the course facilitator. The Family Centre is committed to providing equal access to all the courses we offer.

CONTACT:
Bookings are essential
For further information on any of our courses or workshops please call 9am–12.30pm, Monday to Friday (07) 5524 8711 or ask at reception.
For more information on the course program go to www.thefamilycentre.org.au

Child minding is available upon request.

Surfside Bus lines are presently conducting a program encouraging students that do not have a bus pass, to obtain one. If you are eligible, you travel FREE on their buses and this in turn helps the environment with less fuel emissions, mums and dads time, congestion at school entrances and buses run on time with less traffic congestion.

Application forms are at the school office so fill one in and see if you are eligible. Surfside also state that if you have a bus pass, then you are also eligible to enter a future completion with a HUGE first prize!!! Details in the coming weeks.

---

**Surfside Buslines**

School Transport Services

Catching a school bus is as easy as ABC...

**A** Application - Fill out an application form. Eligible children travel FREE. Applications are available from school administration.

**B** Bus Pass - Remember to show your bus pass EVERY time you travel or have the correct change for your fare.

**C** Check out www.surfside.com.au for full details on bus timetables and how to apply for a bus pass.

Application forms are available from your school Administration office. When complete, mail the application to: Surfside Buslines, PO Box 3016, Robina QLD 4226.
FOCUS: I respect myself in all settings of the school
This means:

- I wear my uniform. With the colder weather coming it is important that all students purchase the correct school jumper or jacket and ensure that they wear this to school. NO coloured hooded jackets will be accepted
- Ensuring I have all the equipment required for classes and sporting activities this term
- Preparing a revision timetable so that you are prepared for the examinations taking place this term
- Asking your teacher for extra help if you do not understand something

CHANGE OF INFORMATION

The school is installing a new roll marking/sms network system which requires up to date changes in email addresses and mobile telephone numbers of carers/parents. If you have changed your mobile in the past and feel you may not have informed the school would you please complete this form along with the email address.
