ArtEXPRESS Seniors Visual Arts Excursion

A few weeks ago on the 23rd May, our Year 11 and 12 Art students were invited to view the Tweed River Art Gallery (TRAG) exhibition of exemplary student artworks from 2013’s HSC year. Their transport to Murwillumbah by bus was sponsored by Victor Lapardin of Victory Ford, a kind donation which enabled all students to enjoy the excursion without cost. As a school, we are very appreciative of Mr Lapardin’s generosity. The exhibition showcased the excellent standard of art-making displayed by Year 12 students last year, in the expressive forms of sculpture, drawing, painting, photography and video. This opportunity allowed our current Visual Arts students to experience the professional display of student artworks, and to set their sights on attaining the highest level of success within their studies of this subject. They explored the other shows within TRAG as well, including the newest addition to the gallery, the Margaret Olley Art Centre. This newly constructed area of the gallery houses a replica of Olley’s Sydney home and studio, offering viewers a real insight into the working space of one of Australia’s most well-known artists. The day was a wonderful learning experience for all, with positive feedback from all who attended.
The choir performed their first Australian concert this year at our very own Banora Point High School on 16th May. The audience was captive and held in the moment, so impressed with the hope that these small children projected both from themselves and to their audience. Their performance was electric both from the bright colourful costumes and the beaming faces of the chore. Sadly, all the members had sad beginnings in life which had brought them to live at the Watoto Village. They had all great hope for their futures and education and were so pleased to be able to go on tour and see different cultures. Their confidence was inspiring and the performance outstanding. All of us who were at the performance felt uplifted and honoured to attend.

Tweed Youth Times
From the Principal

Mr Greg Smith

Year 12 students need to be aware that most of UAC’s participating institutions have Educational Access Schemes (EAS) to help students who have experienced long-term educational disadvantage gain admission to tertiary study. New codes have recently been released.

Institutions use EAS to make offers of admission in one of two ways. They:
- allocate bonus points, or
- set aside a certain number of places for EAS applicants.

There are seven broad categories of disadvantage:
- disrupted schooling
- financial hardship
- home environment
- English language difficulty
- personal illness/disability
- refugee status
- school environment.

To be eligible for EAS consideration your educational performance must have been seriously affected, normally for a period of at least six months during Year 11 and/or 12 or equivalent, due to circumstances beyond your control and choosing.

Banora Point High School is eligible for 2014 – 2015 EAS consideration under the code SO1E. Full details are available at www.uac.edu.au/eas/

The new S01C, S01R and S01E lists become the only EAS eligible lists of schools for 2014-15 admissions from Wednesday 6 August 2014.

Current Year 12 students who attend an eligible school included in the School environment category in 2014 and only intend to claim S01E, S01C or S01R, don't have to submit an EAS application as UAC will automatically generate an 'electronic' application for them when they submit a 2014-15 application for undergraduate admission with UAC.

Please check with Ms Dreyer if you would like more details about this.

Our senior executive team had the pleasure of being part of the audience at the Far North Coast Dance Festival on Tuesday night. Banora Point High was the opening and closing acts in the second set of performances. Both groups of dancers displayed a high level of talent and enthusiasm. The performances were engaging and skillful, showcasing the great creative and performing arts talent we have at the school. I would like to congratulate all of our dancers, along with Miss Green for excellent support as dance teacher and Ms Duncaife for her support as CAPA co-ordinator.

Our Senior debating team was involved in 3 rounds – Byron Bay High, Tweed River High and Murwillumbah High School. Banora Point High, although not the overall winner, won 2 out of 3 rounds. We have a very strong senior debating team and the three current Year 11 students will continue debating in 2015. I believe that Laura Kyle so impressed the organisers that she has been offered an opportunity to be a zone adjudicator when she has completed Yr 12.

Our debaters demonstrate a good grasp of the 3 M’s of debating – Matter, Manner and Method. They have learnt to put together convincing, logical arguments in a manner that engages the audience. These are important skills to learn. There are many times in all of our lives where the ability to put forward a structured argument will be helpful. Without those skills people often avoid putting their ideas forward and sit back as the quiet majority.

Congratulations to the team - Chelsea, Robert, Laura and Michaela. Thanks to Ms McLean who provided such inspirational and capable leadership in coordinating the senior debating program. There is also continual support from our staff who cover their colleagues lessons to allow events such as these to occur.

Our Tenth Anniversary celebration will take place on Friday 20th June, starting at 9.00 with an assembly in the hall. This will be followed by tours of the school. If parents are interested in attending the assembly, you will be welcome and we will have additional seating available.

We gain support from a range of organisations and businesses. Their willingness to contribute to the education of our local students is always appreciated. We have recently received a donation from Stacks/ The Law Firm, Tweed Heads branch. On behalf of the school I would like to thank them for their generous support.

DEBATING

The 23rd May saw the Stage 5 debating team compete in the first round of Premiers Debating Challenge alongside Tweed River High School’s Year 9 and 10 teams.

Banora Point’s team, Hayley Gill, Hayden Wilson, Jake Fittler and Tiana Whitlam, won the coin flip and received the topic ‘School sport should be banned’. Arguing on the negative side, the team introduced strong arguments such as the health effects and friendships that may be impacted by the decision. Yet Tweed River’s A team was able to produce a better “show” and were crowned the winners.

Banora point was able to take it on the chin and prepare themselves for a feisty second round against Tweed River’s Year 10 team. The topic proved to be a hard one, “Contact sport for under 18s should be banned”, with both teams dwelling on football, and the affirmative team repeatedly introducing the potential dangers Rugby League carries.

As stated by the adjudicator, Mr Sargaent, Banora Point High School had the “better arguments” but the manner of Tweed’s B team outshone the efforts of Banora High.

Although they feel as though the results of both debates were injustice, the team is in the process of working harder to achieve victory in their future debates.

“We are hoping that our future debates will highlight our debating skills and abilities and hopefully we will claim the ‘champion title’”.

THE TALENTED ATHLETE SQUAD TRAIN WITH THE TITANS

On Wednesday the 21st May the Talented Athlete squad were involved in a rugby league training session with the Gold Coast Titans. Two of there up and coming U20 players were able to take our squad through some of the basics as well as some of the drills these players use for fitness and warming up. The squad were also able to sit down with these young local players and ask them some questions in relation to what it takes to make it at a high level in sport. Thanks to the Titans for coming out and allowing our students a chance to meet some up and coming players.
Students studying Japanese

Why study a second language?
Our students at Banora Point High School often ask this question, and there are certainly many reasons. 75% of the world speaks no English at all and over 93% of English speakers speak English as their second language. The world is a big place, but seems to be getting smaller with the accessibility and affordability of international travel.

These are just some of the reasons to study a new language.
1. Learning a foreign will make you smarter
Seriously. Research has shown that studying another language improves cognitive ability and keeps your brain sharp as you age.
2. You'll become better at multi-tasking
This is because the ability to stay focused while processing several thoughts at once is necessary when you're switching back and forth between two or more languages.
3. It will make you more attractive
People who speak a second language are seen as educated, intelligent, cultured and worldly.
4. A foreign language will open you up to a whole new world of music, movies and literature
English-language films and music represent just a small percentage of the truly awesome art out there, including J-pop, anime and manga. Roughly 350 million people speak English as their first language, and while this may seem like a lot, that number represents just five percent of the total world population.
5. Watching hours of trashy foreign-language TV will become an acceptable way to pass an afternoon because it's "studying". Well, maybe...
6. You'll become a better decision maker
A study at the University of Chicago found that bilinguals are skilled at removing emotion out of an equation and making decisions in an objective and rational manner.
7. Speaking the local language will make it easier to travel abroad
8. You'll be able to impress strangers at parties

Students studying Japanese cont.

Our Japanese Teacher, Ms Sheridan Hargreaves develops excellence in the Japanese program at Banora Point High School by taking opportunities to network with leading language educators. Recently, she was invited to attend a prestigious reception with the Japanese Consul-General, Mr Masato Takaoka at his Sydney residence. During his address, he spoke fondly of the friendships that develop through inter-school visits. He was very supportive of study tour programs such as our growing friendship with Nagasaki Nichidai University High School in Japan.

Ms Sheridan with Mr Masato Takaoka
Are you visiting the school?

From time to time, visitors come to Banora Point High for a range of reasons. These may include making payments at the office, attending a meeting or working with the staff for the day. The safety of our visitors is as important to us as the safety of our students and staff, and for this reason it is essential that all visitors are accounted for and have permission to be on the school grounds.

All members of our school community are requested to present to the administration staff and sign-in at the front office. The administration staff will contact teaching staff where appropriate to announce your arrival and give you directions as required. Visitors will be given a slip to identify themselves. Your adherence to this process is appreciated and will ensure our ongoing commitment to our school community’s safety.

Friends of the Pound

“Can you help our organisation Friends of the Pound recruit new foster carers for dogs and cats. At present there is much movement in the rental market and people who have pets cannot take their family pet with them when they move house, the only option is to surrender their pet to the Tweed Shire Pound, Friends of the Pound or the RSPCA. Our only limitation is the availability of suitable foster carers, can you help us save a life. Friends of the Pound supply all food, medical supplies and vet work if needed. Please contact Pam (dogs) 0421017461, or Sonia (cats) 0439766243”

Second Hand Uniform Shop

Our second hand uniform shop functions through the kind donations of parents and students who no-longer have use for their school uniforms. Through these donations, we are able to provide access to low cost uniforms. Any funds raised through the sale of second hand uniforms is deposited into the student welfare assistance fund, used to support students and their families during times of hardship.

Please approach the office administration staff regarding second hand uniform purchases.
Young Drivers aged 17-25 years. Why are they at risk?

Facts:
1. Road crashes are one of the leading causes of injury, disability and death among young people.
2. Young drivers are over-represented in road crashes compared to other age groups especially young males.
3. Drivers in rural areas experience a higher rate of fatalities than those from urban areas.
4. Speeding is the major cause of road crashes in NSW and crashes which involve speeding are more likely to result in fatal crashes.
5. Other high-risk behaviours that significantly contribute to road crashes and injuries include:
   - Drink driving
   - Driver fatigue and distraction
   - Not using seat belts

Driver inexperience: Often young drivers don’t realise that it takes time and lots of practice to develop safe driving skills.

Developing brain: Parts of the brain responsible for self-control and for recognising and managing hazards do not fully mature until after the teenage years, so young drivers are more likely to experiment and take dangerous risks.

Overconfidence and risk taking: Young drivers can be over confident about their driving ability and underestimate dangers on the road.

Having friends as passengers: Young drivers may be distracted by passengers or may feel pressured to take risks, such as speeding. Every extra peer passenger carried by a young driver increases the chance of crashing.

Alcohol and other drugs: Young people often do not understand that alcohol and other drugs affect a driver’s skills, mood and most importantly behaviour. Safe driving requires clear judgement, concentration and ability to react to what’s happening on the road.

Busy lifestyles: Work, sport and study often mean busy lifestyles for young people, which may cause them to drive when tired – especially late at night. Driving tired significantly impairs driving, even if the driver doesn’t feel sleepy.

The RRISK program aims to increase awareness of these risk factors and how to improve road safety. For more information about the RRISK program and risk taking, visit our website www.rrisk.com.au

UNDERSTANDING TEENAGERS

Tuesdays May 20–Jun 24, 5.30–7.30pm

Struggling with your teenager’s challenging behaviours?
Looking for ideas on how to communicate with your teenager?
Want to support your teenager to move safely through adolescence?

WHAT’S THE COURSE ABOUT?
Understanding Teenagers is a parenting course that aims to equip you with the knowledge and skills to support your child through adolescence. Form a better understanding of the changes in their behaviour and personality.

WHAT CAN YOU EXPECT?
Through information sessions, practical exercises, group discussions and brainstorming we will explore:
The stages of child and youth development, including the impact of brain and hormone development
Parenting styles, managing tension points and talking through challenging issues
Different ways to respond to concerning behaviours
Strategies for communication and conflict resolution that you can take away and ‘try out’
Strategies that other parents have found work well for them

WHAT WILL YOU LEARN?
Increase knowledge about developmental changes
How to reflect on your parenting style and how to manage your emotions
Strategies for positive communication and how to hold difficult conversations with your teenager
How to establish healthy boundaries and respond to challenging behaviour

The course runs over two Saturdays 9:30am-3:30pm OR a course over 6 early evening sessions.
COST: $30

If you are unable to pay for course fees please talk with our intake worker or the course facilitator.
The Family Centre is committed to providing equal access to all the courses we offer.

ARE YOU STRUGGLING TO MEET THE COST OF DESEXING YOUR CAT?

LOW COST CAT DESEXING
7 - 10 JULY 2014

Friends of the Pound, with the support of the RSPCA and the Tweed Shire Council, are offering low cost cat desexing in the Tweed Shire, at the Murwillumbah Showgrounds, conditions apply.

BOOKINGS ESSENTIAL: PHONE 0435 170 228

After 10 years, two un-desexed cats and their offspring can produce **80,399,780 cats**

*2 litters per year, 2.3 surviving kittens per year, 10 year breeding life.*

CATS CAN’T COUNT, BUT THEY SURE CAN MULTIPLY
Surfside Bus lines are presently conducting a program encouraging students that do not have a bus pass, to obtain one. If you are eligible, you travel FREE on their buses and this in turn helps the environment with less fuel emissions, mums and dads time, congestion at school entrances and buses run on time with less traffic congestion.

Application forms are at the school office so fill one in and see if you are eligible. Surfside also state that if you have a bus pass, then you are also eligible to enter a future completion with a HUGE first prize!!! Details in the coming weeks.
