EXPLORING FITNESS CHOICES

On Friday 5th September Yr. 11 PDHPE completed their exploring Fitness Choices unit with an excursion to Iceworld Bundall and Fitness First Robina. Most students took to the ice like pro's with only handful of students falling over. From here students travelled over to Robina Fitness First whereby we participated in a new aerobic concept called 'Shockwave'. This is brand new high intensity interval training based program that pushes the person to their limit. The activity is devised around team based activities that motivate and push a person to active better results. Our students excelled in this activity and even though we were sore and sorry after completing the class, most students said they would do it again if they could. Lee (our trainer) even said that we were one of the best groups that she had taken through this class. Well done on Yr. 11 in completing this activity and excursion.
From the Principal
Mr Greg Smith

This week six of our senior students will embark on their Kokoda Challenge. They have been preparing for this throughout the year and we wish them all a safe and interesting journey. The Year 12 graduation will occur this Friday. We hope to see a lot of family and friends at the event which marks the graduation of our sixth Year 12 cohort. As a group and individually they have made significant contributions to Bannra Point High School. They have demonstrated a passion for ongoing improvement and I would like to recognise them for this quality. The ceremony will also be our senior student leadership induction program. Unfortunately Drew Jamieson and Rhiannon Ellis are part of the Kokoda team and therefore will be inducted in term 4.

I would like to remind all Year 12 students to check their HSC timetables carefully. They can be downloaded from the BOSTES website as well as accessed through Students Online. The dates and times should be placed into diaries and calendars so that they have no problem getting to their scheduled examinations. These are again being held at the school and students are expected to wear school uniform to these exams.

Smart and Skilled is a NSW Government reform which will change vocational education and training (VET) in NSW. Students leaving school in 2014 need to know about the training offered under Smart and Skilled.

From 1 January 2015, eligible students will be entitled to subsidised training in priority skill areas up to and including Certificate III with approved training providers, including all apprenticeships and some traineeships. There will also be subsidised training for higher qualification levels (Certificate IV, Diploma and Advanced Diploma).

Who is eligible?

Students must have left school to be eligible for Smart and Skilled.
Students must be aged 15 or older, live or work in NSW, and be an Australian or New Zealand citizen or hold a permanent resident or humanitarian visa.
Students who have completed a Certificate IV (unless as part of a VET in Schools qualification) will not be eligible for subsidised funding under Smart and Skilled.

Please see your Careers Advisor, Ms Dreyer for more details.

We currently have had a team working on a vision and core values statement for the school. A situational analysis is also being conducted, collecting qualitative and quantitative data around some key areas of the school, including student well-being, student learning and staff professional learning. This information will help direct the development of our 2015 – 2017 school plan. The team that has been draft the vision and core values statements has staff, student and parent representation.

The Wollumbin Dreaming project culminated in their presentation at Murwillumbah RSL on Thursday. This is an Aboriginal student leadership program that has been running now for four years. The students’ participation has been led by Mrs Leanne Wise and I believe that it has been very valuable.

We had a record number of students recognised at the Kids in Community Awards. This is a gala event and nominees and their parents were invited to a dinner and awards ceremony Twin Towns Services Club on Tuesday evening. It was wonderful to see such a large number of students recognised for their efforts both within the school and the local community.

**NATIONAL SCIENCE WEEK**

National Science Week was recently celebrated at Banora Point High School with two events. All of the students enjoyed a liquid nitrogen demonstration performed by Mr Leighton and Mr MacKenzie.

As part of the celebrations, students from Terranora and Centaur Public Schools attended a Science enrichment day conducted by Banora Point High School Science teachers and students from Griffith University.

The students participated in several different sessions including; the colour of light, cells- the building blocks of life, investigating if lemonade is acidic and how much sugar is in different drinks. All of the visiting students enjoyed the activities and gained a valuable insight into studying Science at a high school level.

Red Day
Thursday 18 September

On Red Day this Thursday we will be having a sausage sizzle, soft drinks and other “Red” treats will be available on this day for recess & lunch.

Term 4 will see the introduction of some new fresh salads. With the weather warming up these will be a cool healthy option.

A reminder our online ordering system with “Munch Monitor” will finish at the end of this term. If you have money in your account you can print off a “closure of account” form from the Munch Monitor website which will see any unused funds be refunded to you.

Orders can still be placed over the counter at the canteen before school or at any time prior to lunch.

The canteen will remain open for breakfast in term 4 from 7.45am - 8.25am. Items include:

* Plain Toast - per slice - $1.00
* Raisin Toast - per slice - $1.50
* Yoghurt - $1.80
* Cereal - per pkt - $2.50
* Fruit Salad - $3.50
* Toasted Sandwich from $3.00
* Bacon & Egg Roll - $4.00
Over the past two weeks, classes 7M and 7C participated in the ‘Rock and Water’ Program delivered by Banora Point High teacher, Adi Lengyel, as part of the Year 7 Healthy Lifestyle Program to promote the importance of mental health. The Rock and Water program involves students developing an awareness of their strengths and capabilities and developing the ability to play, work and live respectfully together in a rapidly changing, multicultural society. The program aims to develop positive communication skills and raise an awareness of students’ feelings and emotions.

The program can be characterised by a combination of the following themes:

1) **Verbalising (Emotional awareness)**  
   Through words and talking with each other, one can come to self-awareness and can build up friendships and relationships

2) **Action (Body awareness)**  
   Through action, (physical activity, games, sport) one can develop self-awareness and build up friendships and relationships

3) **Thinking (Self-reflection)**  
   7M and 7C students participated in two interactive lessons focusing on the following exercises:
   - The Rock and Water salute (respect)
   - Breathing and Balance (how to exhale, centre and ground themselves)
   - Exploring their Centre of Power (when under physical pressure)
   - Exploring their Centre of Calmness (when under mental pressure)

These themes will be explored further with year 7 students next term.
YEAR 7 ROCK AND WATER PROGRAM (Cont’d)

Strategies taught during lessons:
- ‘Breathe into your belly’
- ‘Take a step back’
- ‘Count to 5’
- ‘Look for help if needed’
Positive mental health is characterised by a sense of wellbeing, confidence and self-esteem. It enables us to fully enjoy and appreciate other people, day-to-day life and our environment.

When we are mentally healthy we can:
- Form positive relationships
- Use our abilities to reach our potential
- Deal with life’s challenges as they arise

Tips for positive mental health
- Talk about and express your feelings
- Eat a healthy balanced diet
- Exercise regularly
- Get enough sleep (e.g. 9-10 hours of sleep is recommended for teenagers)
- Spend time with friends and loved ones
- Develop new skills
- Relax and enjoy your hobbies (e.g. sport, music, arts)
- Set realistic goals (reward yourself when achieving your goals)

HAVE FUN, MAKE NEW FRIENDS, AND LEARN ABOUT ANOTHER CULTURE!

Volunteer to host an international high school student arriving into Australia in February 2015, and you’ll be amazed at the way this unique and rewarding opportunity helps your family to become closer, to understand themselves better and to see the world in a new light. Carefully selected students will arrive in July for their 3, 5, or 10 month programs from France, Germany, Italy, Sweden, Norway, Denmark, Finland, Japan and USA. They will live as a local, attend a local secondary school, arrive with their own spending money, and comprehensive insurance cover, all arranged by Southern Cross Cultural Exchange. You choose the nationality, the gender, the duration and the interests of the student that you feel is the best match for your family. Visit us at www.scce.com.au, email scceaustr@scce.com.au or call us toll free on 1800 500 501, request our international student profiles, and capture the spirit of family and friendship!

Second Hand Uniform Shop

Our second hand uniform shop functions through the kind donations of parents and students who no-longer have use for their school uniforms. Through these donations, we are able to provide access to low cost uniforms. Any funds raised through the sale of second hand uniforms is deposited into the student welfare assistance fund, used to support students and their families during times of hardship. Please approach the office administration staff regarding second hand uniform purchases.

All donations of quality second hand uniforms are valued and appreciated.

PARENT EMAIL ADDRESS

SCHOOL NEWSLETTER

We now endeavour to email our School Newsletter to parents directly to their email address. Our goal is to have our Newsletter a paperless one. We would appreciate it if you would update us with changes to your email address in order for us to keep you in the loop. Please fill in the section below and have your child bring it to the front office.

Our fortnight Newsletter is available on our website at www.banorapnt-h.schools.nsw.edu.au
